

Vitamin C provides antioxidant activity, and is critical in the formation and maintenance of connective tissue. Vitamin C also supports proper functioning of the immune system. Vegetable sourced Neolife vitamin C products with **Neo-Plex Concentrate** contain the phyto-nutrient spectrum of whole oranges, assuring that you receive vitamin C just as nature intended. Rose Hips, Acerola cherry and other phytonutrients are also included to support maximum utilisation of vitamin C. Deliciously sweet, with the same sugars in the same ratios as in a section of whole orange.

Store in a cool, dry place below 25°C, protect from light.
