GENTLE MAKEUP REMOVER

Use before a facial cleanser to gently and effectively remove makeup from the face and eyes while soothing and softening the skin. Nutriance Organic Gentle Makeup Remover is an innovative formula suitable for all skin types including sensitive skin and does not sting or need to be rinsed off.

NeoLife Scientific
Advisory Board#2336 – Gentle Makeup Remover,
100 ml

Why A Makeup Remover?

- Using the right makeup remover is vital to keeping skin looking youthful and flawless.
- Leaving makeup on the skin may cause drying and dullness and can clog the pores.
- To prepare the skin surface for subsequent steps in your skin care regimen.

Why Nutriance Organic
Gentle Makeup Remover?

Nutriance Organic Gentle Makeup Remover contains organically sourced botanical ingredients to condition the skin. Gentle Makeup Remover is a 2-in-1 skin care product formulated to gently remove makeup while also energising, and reinforcing the natural film of protection.

Recommended for all skin types

Soothes, decongests & conditions the skin

- Clinically tested and proven safe, well tolerated and non-irritating under dermatological control in a leading European skin care clinic.

HYDRATING SERUMS

Activate & Nourish—Apply the hydrating serums to the face and neck area after the Balancing Tonic. The serums represent the first part of the third step in the basic skin care routine and can be used before the moisturiser. These serums deliver vital nutrients to protect the skin while preparing it for further nourishment.

Neolife Scientific
Advisory Board

#2335 – Ultra Hydrating Serum, 30 ml

#2334 – Hydrating Serum, 30 ml

Why A Hydrating Serum Product?

- Hydrating serums assist skin with moisture retention.
- Skin lacking sufficient moisture can be dry and irritated, becoming tight, rough and vulnerable.
- Dehydrated skin may also accelerate the signs of ageing.
- To prepare the skin surface for subsequent steps in your skin care regimen.

Why Nutriance Organic Ultra Hydrating Serum?

Nutriance Organic Ultra Hydrating Serum is a triple acting formula that nourishes, moisturises and plumps the skin giving it a youthful glow. Formulated with pure sea water, its innovative isotonic formula delivers essential trace elements and minerals to the skin's outer layers helping to protect and strengthen the skin. The cells then are energised, conditioned and ready for further nourishment.

Recommended for Normal/Dry skin

Step 3: Activate & Nourish

- Clinically tested and proven safe, well tolerated and effective under dermatological control in a leading European skin care clinic.

- A single application of Nutriance Organic Ultra Hydrating Serum was found to boost skin hydration in a highly significant manner after just 30 minutes, an effect which lasted beyond 8 hours.
- Clinical test participants were judged by an expert dermatologist to have visibly more moisturised and more radiant skin.

Key Active Ingredients

- Essential oils (Avocado, Almond, Apricot, Tamanu and Jojoba) provide vitamins and essential fatty acids to nourish the skin.
- Hyaluronic acid, a powerful moisturising agent, works in synergy with the plant botanical extract from Guggul (*Commiphora mukul*) to plump the skin, contributing smoothing qualities.

NUTRIANCE ORGANIC
MOISTURIZING CREAMS

Activate & Nourish—Moisturising the skin is the second part of the third step of skin care and is recommended to be applied after the serum. Keeping the skin moisturised helps protect the skin from dehydration and helps protect the skin from the potentially damaging effects of the environment.

NeoLife Scientific
Advisory Board

#2338 – Ultra Moisturizing Cream, 75 ml

#2337 – Moisturizing Cream, 75 ml

Why Moisturising Cream Products?

- Moisturisers help nourish and hydrate the skin, protecting from the damaging effects of the environment.
- Moisturisers help to prevent dehydration — skin that lacks sufficient water can become dry, itchy and flaky.
- Dehydrated skin may also have a tendency to age more quickly.
- Moisturisers help keep the skin soft and smooth.

Why Nutriance Organic Ultra Moisturizing Cream?

Nutriance Organic Ultra Moisturizing Cream is a richly nourishing and soothing cream designed for optimal hydration of normal to dry skin types. With exclusive marine botanicals from brown, green and red seaweeds which deliver a host of protective nutrients vital to your skin's defence systems. It extends the skin's youthfulness by preserving the skin barrier integrity which can deteriorate as a result of harsh environmental factors and/or the normal ageing process.

Recommended for Normal/Dry skin

Step 3: Activate & Nourish

- Clinically tested and proven safe, well tolerated and effective under dermatological control in a leading European skin care clinic.
- A single application of Nutriance Organic Ultra Moisturizing Cream was found to increase skin hydration in a highly significant manner after just 30 minutes. This effect continued for a full 24 hours, demonstrating that the product had a long-lasting moisturising effect.
- Clinically proven to moisturise and nourish the skin.

Key Active Ingredients

- The natural active principles found in the marine botanicals from brown, green and red seaweeds work in synergy.
 - Brown seaweeds. With excellent nutritive properties and biocompatible sea minerals from Sea Kelp (*Ascophyllum nodosum*) as well as Oarweed (*Laminaria digitata*), to soothe and boost skin vital functions, helping to assist skin cell renewal and the elimination of toxins.

NUTRIANCE ORGANIC MOISTURIZING CREAMS

- With "Wrinkle-Fighting Complex", a unique combination of marine pentasaccharides (MPS) from green seaweed (*Enteromorpha compressa*) and galactomannan from the Andean tree, Tara (*Caesaplina spinosa*) to protect and strengthen skin.
- Red seaweed extract Dulse (*Palmaria palmata*) delivers a wealth of minerals and trace elements and nutritive amino acids.
- With Potassium palmitoyl hydrolysed wheat protein for skin smoothing properties.
- Cranberry (*Vaccinium macrocarpon*) and Sunflower (*Helianthus annuus*) seed oils nourish the skin and provide extra support for the skin's protective lipid barrier.

Ultra Moisturizing Cream leaves your face moisturised and nourished.
