NeoLife's Formula IV is not just a "multivitamin". This unique formula contains an exclusive combination of grain concentrates derived by special methods of extraction from the whole wheat berry, as well as from rice bran and soya bran, providing everything naturally occurring in the lipid portion of the grain. These grain concentrates help restore the nutrients so commonly processed out of modern foods. Important vitamins, minerals, selected enzymes and protein are then added to these highly nutritious grain concentrates making Formula IV a superior form of daily supplementation.
